**Medicare Information Series**

In 1965, President Lyndon B. Johnson signed an Act making Medicare law. Medicare is one of the most confusing yet vital programs for those who are 65 years of age and older. In an effort to demystify this program, the Center has scheduled a series of four Medicare informational sessions in February and March. See the schedule below. Each session will focus on a different part of the program with ample time devoted to questions. Our presenter, **Betty Erickson**, will lead these sessions. Betty is familiar to many of our members. As a SHIP (Senior Health Insurance Program) volunteer counselor, she meets with individuals at the Center weekly. SHIP is a free state-wide program in Illinois that provides counseling for Medicare beneficiaries. Call the Center at 630/232-3602 to register. All members are welcome to attend.

## Mission Statement

The mission of the Geneva Township Center shall be to act as the primary community resource to serve all citizens of Geneva Township by enriching the social and intellectual life of our older adults; helping our older adults contribute to the well being of our community as effective and useful citizens of the township; helping those approaching or in retirement to plan appropriately; organizing community interest in improving the overall climate of living for our older residents; decreasing the sense of isolation and dependence that often accompanies old age; and, helping our older adults meet practical problems attendant with aging.

## February Book Club Choice

***House Rules*** by **Jodi Picoult** is the book club choice this month. Jacob Hunt is a teen with Asperger's syndrome. He's hopeless at reading social cues or expressing himself well to others, though he is brilliant in many ways. But he has a special focus on one subject - forensic analysis. A police scanner in his room clues him in to crime scenes, and he's always showing up and telling the cops what to do. And he's usually right. But when Jacob's small hometown is rocked by a terrible murder, law enforcement comes to him. Jacob's behaviors are hallmark Asperger's, but they look a lot like guilt to the local police. Join the discussion on **Tuesday, February 28 @ 10:00.**

## Friday Lunch Special

The Center lunch schedule now includes Monday and Friday Subway sandwich buffets in addition to our Tuesday – Thursday hot lunch and salad bar. The Monday/Friday lunches have proven to be very popular and have attracted a lot of diners. This month we'll have a special option for lunch on **Friday, February 24 – Aurelio's Pizza.** Lunch will be served starting at 11:30. Members must sign-up **no later than Tuesday, February 21** for this meal. A free-will donation will be accepted.

However, please see a professional tax preparer for complicated returns. A photo ID (driver's license, State ID, passport), social security card, copies of last year's tax returns, all forms W-2 and 1099, and any other information specific to your tax situation must be presented at your appointment. **There is no cost for this service.** However, appointments are required.
